

ROMAN WATERWORKS

ITS OFFICIAL!

Roman Waterworks will be trading in Pretoria and surroundings from the first of September.

With great equipment, skills and passion we are excited to continue delivering quality water services along with attentive customer care.

DRAIN AND PIPE INSPECTIONS

7 Signs That You Need A Drain Camera Inspection

1. Widespread or Persistently Clogged Drains or Toilets
2. Recurrent Sewage Backups
3. The Smell of Sewage In or Around Your Property
4. Water Damage on the Walls or Floors
5. Water Damage to the Basement Foundation
6. Waterlogged Patches on the Yard
7. An Uncharacteristically Lush Yard
